Medical Consent

I understand that during the period that I take part in Laburnum Boat Club activities I will be in the care of centre staff. So far as I am aware I am in good health and I will inform Laburnum if I have been in contact with any infectious diseases. I have no special medical conditions, weakness or disability that may call for special care, other than those stated below. If I should be taken ill or become injured during an activity, and if a surgical operation or serum injection becomes necessary, I authorise the member of Laburnum Boat Club staff who is in charge to sign on my behalf (i.e. if a delay in obtaining an authorisation signature were considered to endanger my health).

Medical History/Conditions (continue on a separate sheet if necessary):
